

PROJECT FLOW

Date	13 November 2022
Team ID	PNT2022TMID21090
Project Name	Visualizing and Predicting Heart Diseases with an Interactive Dash Board

IBM COGNOS ACCOUNT

The screenshot displays the IBM Cognos Analytics with Watson dashboard. At the top, a blue header bar contains the text "IBM Cognos Analytics with Watson" on the left, a search bar with the placeholder "Search content" in the center, and user profile icons on the right. Below the header, a blue banner area features a maintenance notification: "Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events". The main content area has a dark background with the text "Hello. Welcome to Cognos Analytics with Watson." and a subtext "You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this text are two buttons: "Watch video" and "Take a product tour". To the right of the text is a 3D graphic of blue cubes. On the far right, a user profile sidebar for "NIKIL V (c6aa84166bde)" is visible, showing the email "varadharajnikit@gmail.com" and a "Profile and settings" link. Below the profile, a list of links includes "My schedules and subscriptions", "Log my session", "About", "Manage product subscription", "Privacy", "Cookie Preferences", "IBM Cognos Analytics Mobile", and "Log out".

IBM Cognos Analytics with Watson

Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events

Hello. Welcome to Cognos Analytics with Watson.

You can get started right away by taking a look at our introduction video, product tour and Getting Started tab.

Watch video

Take a product tour
