

# PROJECT FLOW

Date	13 November 2022
Team ID	PNT2022TMID21090
Project Name	Visualizing and Predicting Heart Diseases with an Interactive Dash Board

## IBM COGNOS ACCOUNT

The screenshot displays the IBM Cognos Analytics with Watson dashboard. At the top, there's a navigation bar with tabs for 'IBM Cloud Account', 'IBM notice: The page you require...', 'My IBM', and 'Home'. The main header area includes a search bar and a user profile for 'Nithin K (3ce040887372)'. Below the header, a blue banner reads 'Hello. Welcome to Cognos Analytics with Watson.' and provides links to 'Watch video' and 'Take a product tour'. The 'Quick launch' section features four cards: 'Upload data' (with an upward arrow icon), 'Prepare data' (with a cube icon), 'Exploration' (with a magnifying glass icon), and 'Present data' (with a presentation screen icon). The bottom of the dashboard shows a 'Get started' tab and a 'Recent' tab, with the 'Get started' tab currently active, displaying the text 'Get up and running in IBM Cognos Analytics'.
